Archive.org is a site from which media can be downloaded for free.

Programs newly approved should be made known so the new President can be made aware of them.

It was suggested that Short spots be proofed before being put on Command Center. It was suggested that the online committee proof them or a subcommittee of the online committee proof them. Perhaps a job for a new member. However, we may need someone to proof longer 1 hr. programs.

WE need to coordinate the X-mas songs. Later, Dwight in the program committee meeting said he would dedicate himself to manage the shows and Xmas programs on Command Center but needed to have a deadline of Dec. 22nd for submissions. He was planning to randomize the 1hr. programs and then randomize the rest of the X-mas music.

Mo's Transportation Promo has \$4.00 per trip mentioned. NPagesute (f that is ok lt is a non-profit, I'm sure.
