New Business/ Comments: - Sherry let everyone know that she has put together a 6 page New Member Packet that she intends to give out to everyone who has joined since October. It lets them know what things are on the websites along with some navigation help. In the new year, she would like to start having New Member meetings to introduce and connect people. John asked about getting the vector information for our logos so we might look into getting them reproduced on apparel. George said that he thought all we have to do is ask for them from Warren's son. It was felt that we are not airing enough Motley Crew. Keith suggested changing the programming to 24hrs of either Ragae or Acid Rock. Andrea pointed out that this would be great for educational radio and agreed with the idea of possibly doing a cultural music show. Chuck said that Great Clips plays the station and had expressed an interest in donating but he didn't know what to tell them. Andrea shared the packet she was given earlier in the meeting.

Adjournment: 2:16 p.m. - Merry Christmas
