Comments on Programing need based on recent airing. Larry read minutes from last meeting.

- Ron did great job with workshop
- Linda agreed to Chair Programing Committee until the end of the Year.
- Discussion on Promo's & assignments now to go through Linda.
- Larry will talk with Dwight regarding Memo's & Picnic Music issue & report back.

Remarks from listening to Station:

- Top of the hour PSA's & Announcements are being packed into too long a segment. John will talk to Dwight about spreading the out more.
- Discussion on Dead air issue. Dwight is working on this issue and we will continue to monitor. But he is doing a great job with keeping the station on the air.
- Keith also suggested that we move his program back to 11am on that day to accommodate the program Dwight is doing and it was agreed to do so.
- It was discussed and agreed to reduce easy listening on Saturday so it ends at 9am.

New Business:

- There was discussion on other announcements with no consensus.
- Bill has a program called Camino that he wants to put on air. After discussion there was agreement to allow him to air the program on Wednesday evening from 7 to 8 pm and Saturday from 11 to Noon.
- Bob suggested we consider a poets segment – after discussion the group will consider it for a later time because it was a good idea for getting feedback from listeners.
- Keith suggested and it was agreed to rename Oldies to Standards which would include music prior to 1954.

Meeting adjourned 3:10pm

Respectfully submitted: Larry Anderson
