Still off the air. Cables are in but the weather is holding back the repair. Plan to complete ASAP this week.

Previously received the “Molly and Bess” Show Proposal and approved concepts. They took Studio B to work with at home. They still want help with home production and use of “Audacity”. Chuck had volunteered to assist them but concerns over equipment leave them with many questions. Keith apologized for any misunderstandings and don’t want them overwhelmed. Suggested it might be better to have them come to the studio and begin by using the studio’s equipment, which they can still learn from and apply at home. Also showed them the “Procedures” book that includes information on how to do a show and many other tips for production. Keith scheduled Tuesday, Aug. 8 at 1:00pm to meet with Deborah and Ruthann for studio training.

Keith requesting others to conduct interviews. Maggie is going to interview the “Voices” of KSCW. Maggie thought Larry was going to collect candidates for interviews but where is Larry? >>>>Any candidates for Community Chat can go to Maggie in about 2 weeks for follow-up.

Keith and Sherry away July 30 – Aug 6. All programming for two weeks will be loaded on Thursday July 27. >>>>Please make sure your show information is in the book with show number. >>>>Kurt will chair meeting next week and provide Linda with meeting notes to be posted. >>>>Dwight will load the “Linda Lee” show for Aug. 6.

Deborah and Ruthann asked if their show can have a theme song? Of course, most of the other shows have their own theme song and they can think about what they would like. Their total show time is somewhat flexible and be 5-6-7 minutes total.

Regarding Podcasts, please review the Feb 27 meeting notes online for details and keep George in the loop with what you want available for Podcasts.

Much discussion ensued regarding Podcasts, their purpose, streaming, FM. >>>>Decision to have each show host put together a demo of their show to be available on Podcast as a sample. Demo should be 3-5 minute max, email to George at suncitywestradio@gmail.com.

>>>>Keith asked that at next weeks meeting, the group look for someone to take over as Chair of this committee (On-Air Talent and Programming Committee). Keith is going to step back to his consulting, programming and his own show roles as his priority to the club. He’s still happy to help when available in any other capacity and appreciates all the past cooperation and guidance from others.
